

GET FORKED.

INTRODUCING FORKBEARD™ THE ONLY MULTI-PRODUCT, MULTI-STACK UNIFIED CONTROL SYSTEM

Complete control of multiple products in multiple stacks. System health visibility, including current, temperature, and heater integrity. Instant power output display. Class A indication. That's Forkbeard...and that's just the start!

Schiit has 8 Forkbeard-enabled products at launch:

DAC	Gungnir 2 Multiform™ DAC	\$1599
PREAMPS	Saga 2 Preamp	\$329
	Kara F Nexus™ Preamp	\$799
	Freya+ F Tube Preamp	\$999
SPEAKER AMPS	Vidar 2F Power Amp	\$899
	Aegir 2F Continuity™+Halo™ Power Amp	\$999
	Wotan Nexus™ Power Amp	\$1999
	Kraken 5-Channel Power Amp	\$999

Prices include Forkbeard. Forkbeard is completely modular and optional. Customers save \$50 if they don't want Forkbeard. Forkbeard can be added to Forkbeard-enabled products at any time with a Forkbeard module. And we promise that any additional capabilities added via Forkbeard will never cost more...not once, not per month, never, no way no how.

Forkbeard is patent-pending.
